

# A GAP YEAR

with Engage the Brain

## THE FOCUS IS ON THE EDUCATIONAL JOURNEY

### Program Description

- 1:1 instruction for students selected to be retained or not ready for next school year.
- 24 hours/week (Monday - Thursday)
- Focus on academic and processing-related difficulties, comprehension, expression, and executive functioning areas of need.

### Student Profile

- A student with identification of struggles/diagnosis in reading, writing, math, executive functioning, anxiety, ADHD, high functioning ASD, expressive/receptive language, and general school-related struggles.
- The student will spend a gap (retained) year with us to focus on their areas of need to bridge to a group/best fit setting the following year. Students repeating (gap) grades 1 - 8 are eligible for our programming.
- We are not equipped to take students with moderate to severe social/emotional or behavioral difficulties.
- Enrollment is limited to 2 students per year.

### Find Out More

We are here to share more about the programming, answer questions, and even discuss options throughout the community. Please feel free to schedule a free 20-minute conversation with one of our team leaders.
